

Dear Reader,

This booklet has been prepared as a service to you and your family.

It sets out all the questions which would need to be answered by relatives or friends in the event of your death, as well as indicating your funeral wishes for their guidance. We suggest you complete this Profile now, and review your answers whenever necessary.

While not a legal document, your Profile should be kept in a safe place known to at least two members of your family or close friends. You should also ensure that you have an up-to-date Will.

If you need further information or assistance with any of the questions in your Profile, or you would like additional Profiles for other family members, please give me a call.

Yours sincerely,

Simon Law
